**WRITTEN DETERMINATION REGARDING THE
APPOINTMENT OF OUTSIDE COUNSEL ON BEHALF OF
THE BERKELEY COUNTY SOLID WASTE AUTHORITY**

The Berkeley County Solid Waste Authority is in need of legal representation in conjunction with its ongoing operations, including, but not limited to, the negotiation of various waste hauling agreements. The appointment of counsel, if any, will be for a period of one year.

In accordance with the Attorney General's Policy on Outside Counsel (Policy #WVAGO-004), the Office of the Attorney General has determined that it is both cost-effective and in the interest of the public to appoint outside counsel to assist with the legal matters in question, based on the following factors:

- The matter at issue requires particular and specialized expertise in waste management contracting and regulation that would benefit from the assistance of outside counsel.
- Berkeley County is the primary geographic area where the legal services will be performed.
- It is not feasible or cost-effective for the Office of the Attorney General to provide the requested legal services without the assistance of outside counsel at this time.

Accordingly, the Attorney General authorizes the appointment of outside counsel in the current legal matter pursuant to commencement of the request for proposal process laid out in subsection (D) of Policy #WVAGO-004.
