Consumer Protection & Antitrust	Capehart, Curtis	AD-03-805	03-C-109	Circuit Court Lincoln County	SER Patrick Morrisey v. Minnesota Mining and Manufacturing Co., Mine Safety Appliances Co., and American Optical Corp.	Suit filed in August 2003, alleges that Defendants, the manufacturers and suppliers of dust masks and respirators, marketed and sold their products to coal operators in West Virginia by falsely claiming the devices were an effective means to reduce miners' exposure to airborne coal dust, thereby decreasing the number and severity of coal-related occupational pneumoconiosis cases. The State alleges the claims were false at the time they were made. The Court entered an order bifurcating the case for trial, with the WV Consumer Credit and Protection Act claims to be tried first. Defendants filed a Writ of Prohibition with the WV Supreme Court of Appeals and the writ was denied. Discovery has been restarted. Trial is scheduled for November 28, 2022.
Consumer Protection & Antitrust	Caudill, Frederic	CON-18-0005	18-C-185	Circuit Court Harrison County	SER Patrick Morrisey v. Professional Marketing Group, LLC d/b/a Vision Home Improvement, et al.	Suit filed in July 2018, alleging consumers purchased home improvement items and installation of items, predominately including Sundowner awnings from Defendant but the items were never purchased nor installed. Suit was served on one principal owner and the business. There have been continued attempts to serve the other owner, and the Court eventually ordered service by publication. Notice was published and Defendant Cain filed an answer. Defendant Facemire died and a Notice of Suggestion of Death has been filed. Discovery is in progress.

Adam Parson d/b/a Precision Floor and Fence	Suit filed in November 2018, alleging that the Defendant failed to perform work on contracts for which he was paid. The Court granted the State's request for a Temporary Injunction and partial Summary Judgment. On March 11, 2020, the Court revised its previous order granting additional restitution and ordering the Defendant to produce certain records to the State. The Defendant failed to comply with most of the terms of the March 11 Order so the State filed a petition for contempt. The State's petition was heard on January 13, 2021. At the hearing, the Court required the Defendant to follow a revised payment plan for paying restitution owed to consumers, to produce contact information for two additional consumer victims and to provide financial documents to the State. Litigation is ongoing.
Consumer Protection & Antitrust	Cunningham, Abby	CON-20-0001	20-C-48	Circuit Court Putnam County	SER Patrick Morrisey v. Robert E. Jones d/b/a HR Services d/b/a A Personal Service	Suit filed in March 2020, alleging that the Defendant used unfair and deceptive conduct to coerce consumers to enter into unnecessary and expensive home improvement contracts, misrepresented that he possessed various professional licenses, failed to fully perform contracts or performed them in an unworkmanlike manner, and failed to conform to requirements for written contracts. In September 2020, the Court granted the State's Motion for Temporary Injunction and Other Relief, barring the Defendant and anyone acting on his behalf from contracting during the pendency of the case and ordering the Defendant to provide certain records to the State. The Defendant failed to produce any records and the State filed a Petition for Contempt. Shortly thereafter, the Defendant was arrested on charges of fraudulent schemes in connection with his provision of home improvement and contracting services. The Defendant has remained incarcerated. The State has filed an amended petition for contempt to include allegations that the Defendant violated the temporary injunction. The State's motion to appoint a Limited Guardian ad Litem due to his incarceration was granted. The Court granted a motion to amend the complaint to add Mrs. Jones as a Defendant and she has filed a response. Discovery is in progress.

Plaintiffs allege that Lottery and IGT, an independent vendor, have required them to make changes to their Limited Video Lottery terminals. The Plaintiffs' chief complaint is that IGT, a Nevada corporation, no longer supports the ICIS protocol, which was the computer language used by their machines when permits were awarded. Dismissal of the Due Process and Civil Conspiracy Claims are sought based upon qualified immunity. Dismissal of the Regulatory Taking Claim is sought based upon the fact that the Lottery's decisions reflected changes in the marketplace that it could not control. Motions to dismiss were filed July 7, 2019, and no activity has occurred in this case since August 12, 2020, when Plaintiffs filed a motion to reinstate.

Irby, State Tax Commissioner, David Sponaugle, Assessor, and Doddridge County Commission	Antero Resources filed a petition to appeal the decision of the Doddridge County Commission sitting as the Board of Assessment Appeals for the 2018 tax year, which affirmed the Tax Department's allegedly overstated valuation of Antero's oil and gas wells in the County. Antero asserts that the Business Court erred when it (1) found that it lacked jurisdiction; (2) did not apply the 2020 Notice retroactively; (3) did not find that the Tax Commissioner's refusal to apply the notice retroactively was arbitrary and capricious; and (4) did not find that the exclusion of its post-production expenses violated due process, the commerce clause, and equal protection. This matter is similar to Steager v. Consol Energy, 832 S.E.2d 135, 242 W.Va. 209 (2019), Antero Resources Corp. v. Irby, Nos. 20-0530, 20-0531, and 20-0579, 2022 WL 1055446 (April 8, 2022) (memorandum decision) ("Antero I"), and Antero Resources Corp. v. On appeal, the case has been consolidated with several substantially similar appeals from different counties for the 2018 and 2019 tax years. These cases have been fully briefed since July of 2022 and are awaiting either a memorandum decision or an order scheduling argument.
